

Final assignment

Every student will get the final assignment to her/his email address.

The assignment should be solved individually.

When preparing solutions, you can follow procedures given in lesson 4 in Loomen: Solutions MoER Statistical Tests.

Please copy tables of results from Statistica to Word in a way that you click on your right mouse button when you mark the table and choose 'Copy with Headers'.

Deadline for sending solutions is: 23rd of July 2022.

Solutions and queries should be sent to: natasa@efos.hr
